MEMBERS OF BOARD OF EDUCATION

The Board of Education wishes to express to the graduating class and the entire student body congratulations and best wishes. We rejoice in your accomplishments and share with you the joys that come from work well done. We wish for each of you a full, well-rounded experience during your stay in Highland Park Schools and through life.

R. C. DUNLAP, President,
Board of Education, Highland Park
Independent School District

THE P. T. A.

The P. T. A. speeds the classes of 1938 on their way, wishing them a bright and prosperous future but also trusting that a brave spirit will carry them through any misfortune and a generous attitude mark all their relations with their fellow men.

MRS. BENTLEY YOUNG

DADS CLUB

In the parade of your high school routine your teachers, sponsors, and coaches have been ever changing, but your dads have been, are, and shall continue to be the same dads, bouyantly happy to boast of you and your activities. To the 1938 Highlander we bow low and doff our tams in praise of this volume, editorially refreshing, and typographically beautiful.

JACK ESTES, President The Highland Park Dads Club

OUR SUPERINTENDENT

To Our Graduates of 1938:

I hope your years of High School work have been happy ones and that your training and experiences here have been such that they will contribute much to your future joy and happiness as you go about the duties of life.

> H. E. GABLE, Superintendent Highland Park Public Schools.

OUR PRINCIPAL

One might paraphrase a familiar quotation by saying, "The spirit of the school is revealed through the attitude of the pupil." The natural, friendly attitude of our student body has been evident during the past year. Few visitors leave without expressing their appreciation of the friendly, courteous atmosphere that exists within our walls. They come as visitors and leave as friends.

One of the newest clubs in Highland Park is the Camera Club, formed by those who are interested in photography and its branches, and by others in school who are also attracted by the click of a camera shutter. Membership is limited to twenty-five. One of the features for research is the dark-room built by the school and outfitted by the cub. An event of some importance to the school was the picture exhibit and photographers' contest. This proved very interesting to the school as a whole and was highly enjoyed by the photographers. Though it is portant organizations in the school because of the wealth of training in store for its members.

HI PARK COACHES

FOOTBALL 1937

FLOYD HIGHTOWER

The Highlander line coaching job is ably handled by Mr. Floyd Hightower, who is completing his second year at Highland Park. He is one of the most popular members of the faculty and is held in high esteem by all participants of athletics. Coach Hightower is a former Shreiner Institute and Alabama athlete.

REDMAN HUME

Head Coach Redman Hume, backfeld mentor, is considered by many to be one of the smartest high school coaches in Texas. In his second year as head coach, he missed winning the district championship by seven points and then won it easily in his third year. Coach Hume formerly participated in athletics at Sherman High School and Southern Methodist University, where he was an all-conference back. He is well liked and highly respected by all who have played under his coaching and by all who are connected with him.

AN ACCOUNT OF THE GAMES

HI PARK 42; CORSICANA 7

For the first time in seven years, the Highlanders won their season opener with Corsicana. The beautiful blocking and deadly tacking of the Scots proved them far superior to their opponents. The running attack of the Golden Avalanche, led by Dick Dwelle, showed its power by amassing twenty two first downs, while scoring forty-two points. The offensive of the Tigers was held well in check by the forward wall, led by Waltace Chappell and Gene Constantin.

HI PARK 7: WOODROW 0

The Highlanders went into the game a slight favorite over their Dalias opponents. This was the first scheduled game between a Dalias school and Highland Park since 1932. The Scots scored early in the first quarter and played a defensive game for the remaining three quarters. The highlight of the game was to see "Little" John Little and Big B' Waters standing side by side and stopping practically every Woodrow play which came within five yards of them.

HI PARK 39; ENNIS 0

A fast charging line swept the Ennis High Lions to a 39-0 defeat. The first half was played on fairly even terms, but the Scots, led by their reserve strength, scored practically at will in the final periods. "Jake" Bishop was the shining light in the backfield, while Jack Harkey and Swank, and Herbert Schiff were outstanding in the line.

HI PARK, 25—SHERMAN, 9

For the first time the Scots had to come from behind to defeat their opponents. Their passing attack proved its effectiveness as Dwelle and Gay completed thirteen out of twenty-six aerials. The Bearcats were slight favorites at game time, but the High-anders totaled twenty-three first downs to Sherman's four.

HI PARK, 46-SULPHUR SPRINGS, 6

The first district game of the season ended in a runaway for the Scotties, who employed tricky laterals and straight running plays to overpower their opponents.

The thrill of the game came when the Wildcats ran a hidden ball play that had everyone guessing, even the officials. In the second half of the game, David 'Bouncer' Gay turned loose with two spectacular broken field runs of sixty-five and seventy-five yards. Johnny Seay also contributed to the cause by snagging two long touchdown passes.

HI PARK, 28-DENTON, 6

The Scotties won their second district game at Denton, where they were met by more opposition than was expected. However, they turned on the heat and produced four touchdowns. All four extra points were booted from placement by Jimmie Wooten. Norman Germany and Dick Gregory turned in a good game while replacing Johnny Seay, who was out with a broken hand.

HI PARK'S "GOLDEN AVALANCHE 1937 DISTRICT SIX CHAMPS

HI PARK, 61-GARLAND, 6

The Garland Owls gave little opposition to the Golden Avalanche and the game was soon turned over to the reserves, who showed what they could do by running wild. Billy Tipton made one long run for a touchdown and then turned around to make another one for eighty-five yards, only to have it called back because of an off side penalty.

HI PARK, 47-McKINNEY, 0

The Scotchmen gained their eighth straight victory as they mauled their opponents from McKinney. They were out to avenge their 7-0 defeat handed them last year by the Lions, which was their only loss in the district and cost them the championship. The highlight of the game came at the start of the second half, when "Moose" Munnell returned the kickoff sixty yards to a touchdown behind some beautiful blocking by Grady Jordan.

HI PARK, 7---NORTH DALLAS, 7

Many Highlander fumbles led to the first touchdown by North Dallas in the opening quarter. The Bulldogs were content to play a defensive game throughout the rest of the game and held their lead until the last five minutes. Then Virgil Harris snagged a long pass and stiff-armed the safety man to score the tying touchdown. This tie took the Scotties from the list of undefeated and untied teams in the state.

LITTLE Guard

HI PARK, 26-GREENVILLE, 0

The game with the Lions proved to be a hard fought affair, as is always the case when Hi Park and Greenville tangle. The Scots proved their superiority by scoring on passes and wide laterals. Much of the credit for the Highlanders winning this game, and with it the district crown, goes to Aifred Tarr.

HI PARK, 6-SHERMAN 7

On a cold and muddy day the Golden Avalanche fell before the onslaught of the Sherman Bearcats by one point to lose the Bi-District title. The Scots were benind at the close of the first quarter and were unable to score again. Although fighting valiantly, the Scotties were unable to come from behind as in their previous battle with Sherman and were dropped from the state race in a heart-breaking 7-6 loss.

The Scotties finished their 1937 schedule of ten games with only a tie with North Dallas against them. They did not lose or tie any district games.

The Seay Memorial Trophy, a yearly loving cup given by Charles Seay in memory of his father, Dero E. Seay, was awarded to David Gay as the most valuable player for the season of 1937. His brilliant offensive work, combined with a fine team spirit, earned for David this splendid award.

The Coaches Award, a gold plaque given to the player chosen as the best blocker on the team, bore the name of Captain Jimmie Wooten. A veteran end, Jimmie was the best in removing opponents from the path of our ball-carriers.

CHEER LEADERS

Roxy Singleton Robert Kerr Rollinda Chappe Tom Shoop, Kay Abernathy and George Hemmingson are the persons mainly responsible for keeping the famous Highlander spirit at its height during our very successful footbal season.

Each footbal game saw a new outburst of pep and vitality among the cheer leaders. Each game also saw head Cheer Leader Tom Shoop picking the cutest girl of our opponents cheer leading squad to be his partner at the half. Each game brought futh a pepper and more excited Roxy Singleton, whose hopping and trucking at games will be missed by all Scottle fans next year. We nope that in the future all footbal players won't fall as haid for cute brown eyed. H. P. H. S. cheer leaders as a certain Greenville guard did for our own Linda Chappel in the Thanksgiving Day game. We know Kay's pretty smile and pleasing personality proved an asset to the team, and that Robert and George did exceptionally well in supporting those fighting Scottles all season.

"B" TEAM FOOTBALL

The B Team under the direction of Coach Lauter who trained the players and got them ready for the A squad had only two Ettermen balk. Jot New man and Jack Pearl.

The team started its season off by playing Adamson's first string substitutes whis were not befeated all year. Ed Jarrett was outstanding throughout the game with his widerend runs and long kicks. The second trial was with Woodrow W son's substitutes game showed great improvement. Ed Jarrett again proved danger us when he threw a forty yard pass to Barton, who ran for a touchdown, cast and least was our game with Frisco High, which had a much heavier and more experenced team. After a hard fight we came out on the short end of the score.

As far as games with we were not so successful but we did get the bows ready for next year's "A" squad.

BASKETBALL

The Highlanders opened their 1937-138 basket bal season with only two lettermen in the line-up. Captain Billy Waters and Alternate Captain Jimm'e Wooten. With only a week's practice, the Scotties trekked to Oklahoma on a week's trip playing four games in as many nights. Their first opponent was the strong McAlester quintet which the Bue and Gold defeated (30-20). The whole team played good ball with Captain Waters lead ing the scoring. Highland Park ran into rough going the next night against the Muskog Roughers who took the Scots into camp 42 t 18. But the Blue-Gold Cagers rebounded the next night and defeated Atoka High, who had not tasted defeat all season. The Highlanders left Oklahoma with a 500 percentage, as they lost to Ardmore in the last game of the trip. The District Tournament held at S. M. U. finished the Scots' season when they lost in the semi-finals to Woodrow Wilson in a hard fought game. Woodrow Wilson later went on to win the state championship at Austin. The Woodrow boys on their return from Austin stated that the Ki ties were the strongest quintet they met with the exception of John Reagan, whom Woodrow defeated in the semi-finals of the state tourney. Waters was selected as All-District Center when he scored 12 points against the tight Woodrow defense.

GIRLS' ATHLETICS

BASKETBALL

Girls' basketball at Highland Park is rapidly becoming more and more important, and this year was a fair example of success all around. About fifty girls participated in regular basketball, and three teams gave exhibitions throughout the year of fast, clean playing. Mrs. Milton Kuser coached the first and second teams, while Miss Mildred Chappell coached the third string.

The first team, captained by Lois Rodreick and Sally Riley, played twenty-one games all season, won ten, lost ten, and tied one. On January 28 and 29 the team entered the Terrell Invitation Tourney, and was fairly successful. The last two games of the season were played at the Lancaster Invitation Tournament, where Highland Park was finally eliminated by Lancaster itself.

The second team, captained by Frances Harris, played twenty games during the season, won ten, and lost ten. The primary achievement of the season occurred on January 12, when the seconders defeated Celeste's second string. The second team also entered the Terrell and Lancaster tourna-

ments and in the atter went far up the bracket before it was defeated. The third team, captained by Amel e Allen, played fewer games mostly against much stronger competition, and won about half of its games.

At the annual banquet Sportsmanship Cups went to Lois Rodreck of the first team Lane Wrather of the second team and to Mariore Forrest of the third team. The Improvement Awards were given to Luci e Bisborough of the first team Margaret Payne of the second team, and to Mary Virginia Prenn from the third team.

Intramura basketball again chalked up another successful year at High and Park, and the Lassies who participated en oyed every minute of it. About a hundred and fifty girls went out and these girls were divided into ten teams with captains elected within each team. These teams were divided in turn into two leagues, the Tuesday Night League and the Thursday Night League.

The team captained by Betty Roessler and coached by Martha Lou Barnett won the Tuesday Night League and Jane Duls' team coached by Frances Harris, had the highest percentage of the Thursday Night League. On January 20 these two championship teams met, and Betty Roess er's team emerged as the best of the intramural teams.

THISTLES

DEDICATION

This "Thistle' section has been dedicated to the noble Scotchmen that during the past year have "turned the tables" on the Gold Diggers and have made that long profitable avocation a thing of the past.

So to the tighest tight-wads I know—
The laddies of Hi Park Hi*

FOREWORD

Perhaps in every annual that this reader has glanced through (for, after all, isn't that all they ever do?) there has been a paragraph to the effect that "this volume" was written to serve as a mirror of the joyful and dexterous days spent within the portals of said institution."

Since that is the case, far be it from us, the staff of only a high school annual, to change that long followed and trite tradition. Therefore, just as the theme of every commencement address is "that your education is just beginning"; so is the theme of this "Thistle" Section, "to serve as a mirror of the lighter and more frivolous moments spent in this, our new building."

^{*}All except Johnny (High Five) Thompson and Dale (Money-burns-holes-in-my-pockets) Martin.

^{*}Yolume—something that this book has tried not to be.

Closely identified with the progress and development of Highland Park and University Park has been the growth of the Hillcrest State Bank. We are indeed proud to be an integral part in the furtherance of the spirit of the Park Cities.

BUILDING CITIZENS ...

Highland Park High School has developed in a comparatively few years into one of the leading high schools of the State. It is an institution of which Highland Park and University Park may well be proud... an institution which is moulding the character of its youth... preparing them to meet the responsibilities of citizenship which will be theirs in years to come.

May this school continue its fine work!

REAL ESTATE LOANS ON BETTER HOMFS Minimum Rates - Long Terms - Liberal Options Girls, skip this paragraph! It is really unifit for publication. It got into this book by mistake, and I asked the printer to destroy it or set it wrong side up:

If there is anything that worries a woman It's something she ought not to know; But you bet she'll find it out someway It she gets the least kind of a show. Now, we'll wager ten cents to a farthing, This poem she's already read—

We knew she'd get at it somehow,
It she had to stand on her head.

Virgil: "I dreamed I married the most beautiful girl in the world."

Bette Lynn: "Were we happy?"

The frugal Scot was taking his son for a walk, when he said thoughtfully, "Son, have you got on your Sunday boots?"

"Aye, Fother," was the reply.

"Then take longer steps,"

Fullinwider: "Do you like men who are always trying to kiss you—or the other kind?"

Cobb: "What other kind?"

"Now Bobby," the teacher said, "tell me where the elephant is found."

The boy hesitated for a moment, and then his face lit up.

"The elephant," he said, "is such a large animal it is scarcely ever lost."
